Premier Eye Care names Director of Medical Economics & Reporting

Michael Aguirre promoted to head of new department

TAMPA, Fla. (February 18, 2014) – Premier Eye Care is pleased to announce that Michael Aguirre has been promoted to Director of Medical Economics and Reporting, heading up a new team at Premier.

In his new role, Aguirre oversees all reporting, budget analysis, claims trends and financial projections for Premier.

Before moving into his new role, Aguirre was a financial analyst for Premier. With more than eight years of experience in the financial field, he has expertise in developing and implementing financial reporting, in evaluating operating records and financial plans, and in making recommendations for policy, procedure and action.

Prior to joining Premier, Aguirre was a financial analyst for Nurse on Call, a Medicare certified agency that provides home healthcare services, and was an assistant controller at the Wanderers Club, a golf and polo club in Wellington, Fla.

“As Premier continues to grow, our employees are growing along with us,” said Lorna Taylor, President and CEO of Premier Eye Care. “Michael’s experience and expertise make him a great fit to lead our financial reporting team.”

About Premier Eye Care: Founded in 1994, Premier Eye Care manages the eye care of over 2 million insured members in multiple states through a network of contracted optometrists, ophthalmologists, sub-specialists, and surgical facilities. Headquartered in Tampa, Fla., with an operations center in Delray Beach, Fla., Premier Eye Care provides routine vision, medical and surgical eye care, and administrative services for its partner Health Plans.
