### PREMIER EVENTS

The 7<sup>th</sup> Annual Emb(race) 5k at Florida Atlantic University was a success. Everyone received a t-shirt, a medal, and posed with the FAU mascot in addition to helping those with disabilities. Breakfast was great too.

### PREMIER ASSOCIATE SPOTLIGHT – DAPHNEE DERVIL

Our Premier spotlight this month is Daphnee Dervil, who works in Credentialing. Daphnee started volunteering in high school as part of getting 200 community service hours. That's when the volunteer bug bit her and she ended up with over 5000 hours! Since then she has been involved with the Big Heart Brigade, a non-profit formed by a group of local businessmen, neighbors, firefighters, police officers, and other civil servants who started helping just at Thanksgiving (over 10,000 meals) and now have numerous programs in place throughout the year. Learn more at <http://bigheartbrigade.com>. She has also volunteered through her church helping young children get involved in feeding the homeless, beach cleanups and other community initiatives.

Daphnee brought the upcoming Color Vibe 5K to Premier's attention so please feel free to contact her via email or at extension 230 if interested. We have 17 people so far! You will also see her at this month's Beach Cleanup. Thanks for spreading the good vibes!

### WOMEN'S HISTORY MONTH

In 1981, responding to the growing popularity of Women's History Week, Sen. Orrin Hatch (R-Utah) and Rep Barbara Mikulski (D-Maryland) co-sponsored the first Joint Congressional Resolution proclaiming a Women's History Week. Congress passed their resolution as Pub. L. 97-28, which authorized and requested the President to proclaim the week beginning March 7, 1982 as "Women's History Week." Throughout the next several years, Congress continued to pass joint resolutions designating a week in March as Women's History Week. Schools across the country also began to have their own local celebrations of Women's History Week and even Women's History Month. By 1986, fourteen states had declared March as Women's History Month.

In 1987, after being petitioned by the National Women's History Project, Congress passed Pub. L. 100-9, which designated the month of March 1987 as Women's History Month. Between 1988 and 1994, Congress passed additional resolutions requesting and authorizing the President to proclaim March of each year as Women's History Month. Since 1988, U.S. presidents have issued annual proclamations designating the month of March as Women's History Month. Find out more at: <http://womenshistorymonth.gov/>
