## EYES on BACK TO SCHOOL SAFETY

### Rules for School Zones:

Do NOT double park; it blocks visibility for other children & vehicles

Do NOT load or unload children across the street from the school

Take EXTRA care to look out for children in school zones and playgrounds

NEVER pass a vehicle stopped for pedestrians, no matter who has the right of way

AVOID passing cars, changing lanes, making U-turns. As always, eliminate cell phone use and other distracting activities while driving.

It is ILLEGAL in all states to pass a school bus that is stopped to load or unload kids.

### Rules for Children Home Alone After School:

No guests. Do not open door to anyone. Keep all doors locked. Do not leave the house. Only answer calls from family. In an emergency call 911, then call parent. Never tell anyone you are home alone. Get along with siblings. Check in with parents daily.

Special thanks to the Premier Volunteers who assisted with back pack stuffing this year.
