NOVEMBER 2019

HOLIDAY TOY DRIVE DONATION LAUNCHED

Starting November 1 through November 28, 2019 Premier will once again be collaborating with The Pantry of Broward in a holiday toy donation drive. This group creates a Santa's Workshop for clients to "shop" for children of all ages. The Pantry of Broward serves local senior citizens and grandparents raising and caring for children under age 21 in their homes. This group has indicated that while toys and games for all ages are greatly appreciated, they have an extra need for items targeted for older teenagers and again for infants. Gift cards, sports equipment, games, books, dolls, stuffed animals, action figures – all the things on any child's holiday wish list are welcomed donations. Please be sure items are new and boxed. Please do not gift-wrap. Donation bins are set up in the Premier lobby and in the Premier Café. Our thanks in advance for your generosity and support again this year.
